The website of the International Union of Alsatians.

The Alsace Fan Day website.

June 24th is Alsace Fan Day, the day for all lovers of Alsace, the 5th edition is getting ready all over the planet, as the subtitle says, “s’Elsàss ùff de gànze Welt fire”.

Let’s talk and let people talk about Alsace everywhere, and of course on the internet. Many partners join forces behind the UIA, the Union Internationale des Alsaciens, to celebrate Alsace around the world, all day long, even with time differences. Click on the alsace fan day dot com site to find out about the program and laugh a little with their novelty, the quatsch box, videos shot with Alsatians from all over. A mobile app also exists, full of interesting videos, and a hashtag to participate in this beautiful day by and for Alsatians, it’s simply [alsacefanday](#) all attached.
